

PROCEEDINGS OF THE  
MARTIN COUNTY BOARD OF COMMISSIONERS  
TUESDAY, NOVEMBER 16, 2010  
@ 9:00 A.M.

The regular meeting of the Martin County Board of Commissioners was called to order at 9:00 a.m. by Chairman Schmidtke.

Commissioners present were Boler, Potter, and Pierce. Commissioner Donnelly was absent. Also present were Scott Higgins, Martin County Coordinator, James Forshee, Martin County Auditor/Treasurer, Rod Halvorsen, KSUM/KFMC Radio, Brad Gerhardt, Martin County Sheriff, Kevin Peyman, Martin County Highway Engineer, Terry Viesselman, Martin County Attorney, Jennifer Brookens, Sentinel Newspaper, Julie Walters, Administrative Assistant, and members of staff and public.

Motion by Commissioner Potter, seconded by Commission Pierce, Be It Resolved that the Martin County Board of Commissioners, hereby approve the agenda with the following additions: 8.9 Consider Language Assistance Plan for Martin County Express; 8.10 Discuss Drainage Administration Matters (JD #47 Project and Letter Received from the Butterfields); 8.11 Introduction of Jonathon Herzog, Business Facilitator for Martin County; and 8.12 Consider Setting a Joint Meeting Date with Soil and Water Conservation District. Carried unanimously.

Motion by Commissioner Pierce, seconded by Commissioner Boler, Be It Resolved that the Martin County Board of Commissioners, hereby approve the minutes of the November 2, 2010 regular Board of Commissioners meeting. Carried unanimously.

Terry Viesselman, Martin County Attorney, presented an update on the recent Bennett trial and stated that a subsequent trial has been set to start January 31 to February 4, 2011 in Mankato, MN. Viesselman went on to state that his office has received a price quote for the cost of a transcript of the Bennett trial in the amount of \$2,500. Viesselman noted that while the transcript is not essential, it is helpful in preparation of the new trial for witness review of their previous testimony. Viesselman recommends obtainment of the Bennett transcript.

Motion by Commissioner Pierce, seconded by Commissioner Potter, Be It Resolved that the Martin County Board of Commissioners, upon the recommendation of County Attorney, hereby approve, reluctantly, and authorize procurement of the Bennett transcript for preparation of upcoming new trial in the amount of \$2,500.00; and to be expended from the County Attorney's Fund. Carried unanimously.

No action taken on appointment to the Martin County Economic Development Authority Commission.

Kevin Peyman, Martin County Highway Engineer, presented a department update including the sale of the Highway Department's 1999 Loader Mounted snow blower to

the City of Trimont in the amount of \$53,500; current road conditions resulting from the current heavy, wet snow; and discussion of ARMER radio tower progression.

Mark Geerdes, Martin County Jail Administrator, presented an agreement with Faribault County regarding juvenile detention prior to their first court appearance, in the amount of \$125 per calendar day. Faribault County is willing to give us an option that will mean less driving to get the juveniles to their first court appearance.

Brad Gerhardt, Martin County Sheriff, stated when juveniles are arrested they have to be seen or waived within 24 hours; after which the judge will order them to be held in whatever specific type of facility. The Martin County Jail has been looking for an option that was closer than Olmstead County to hold juveniles before their first court appearance.

Motion by Commissioner Pierce, seconded by Commissioner Boler, Be It Resolved that the Martin County Board of Commissioners, hereby approve and authorize Board Chair to sign Agreement to Hold Juveniles between Faribault County Law Enforcement Center and Martin County for juvenile detention prior to their first court appearance; approve the daily rate of \$125. Carried unanimously.

Dan Whitman, Martin County Assessor, presented a resolution requesting Homestead Property Tax Relief in the wake of the September 23, 2010 flooding in Martin County resulting in extensive property damage to residential and agricultural properties within the County. This resolution is requesting reimbursement by the State of Minnesota for credit given out due to the reduced value of affected properties; with credit to property owners in the form of reduced taxes. Whitman stated that following inspections by assessment officials, it has been determined that 532 properties have sustained significant damage or have been destroyed by the recent flood. Damage to these homes included: basement flooding, sewage backup, siding damage, and roof damage. After discussion,

Motion by Commissioner Pierce, seconded by Commissioner Potter,

R-#40/10

## RESOLUTION

### REQUESTING HOMESTEAD PROPERTY TAX RELIEF UNDER SECTION 273.1234

Whereas, the County of Martin experienced a disaster on September 23<sup>rd</sup>, and

Whereas, said disaster caused extensive property damage to residential and agricultural properties in the County of Martin; and,

Whereas, the County of Martin has been declared a disaster area by Presidential Declaration of a Major Disaster, Small Business Administration Disaster Declaration, and

Declaration of a Local Emergency declared pursuant to Minnesota Statutes, section 12.29; and,

Whereas, Minnesota Statutes, section 273.1231 through 273.1235 provides for tax relief for properties damaged by a disaster upon application to the Governor of the State of Minnesota and the State Executive Council; and,

Whereas, the minimum requirements of the aforementioned statutes have been met as demonstrated in the attached disaster survey.

NOW, THEREFORE, BE IT RESOLVED by the County of Martin that the County of Martin hereby request property tax relief under Minnesota Statutes, section 273.1231 through 273.1235 for property damaged by the disaster that occurred on September 23<sup>rd</sup> and identified in the attached disaster survey.

Motion by Commissioner \_\_\_\_\_, seconded by Commissioner \_\_\_\_\_, and was duly passed and adopted this 16<sup>th</sup> day of November, 2010.

BOARD OF COMMISSIONERS  
MARTIN COUNTY, MN

---

Dan Schmidtke, Board Chair

ATTEST: \_\_\_\_\_  
Scott Higgins, County Coordinator

Roll Call AYES: Commissioners Boler, Potter, Pierce, and Schmidtke. NAYS: None. Resolution duly passed and adopted this 16<sup>th</sup> day of November, 2010.

Scott Higgins, Martin County Coordinator, presented the list of Martin County Septic Loans for 2010 for certification and assessment to property taxes for those listed in the amount of \$105,547.22. After Board consideration and review,

Motion by Commissioner Pierce, seconded by Commissioner Boler, Be It Resolved that the Martin County Board of Commissioners, being presented the listing of the 2010 Martin County Septic Loans in the amount of \$105,547.22 to be certified and assessed to the respective properties, effective for 2011 as follows:

Loans granted during 2010 through the Martin County ISTS Loan Program. Apply the principal and interest to tax statements as a special assessment.

	Name	Parcel Number	Loan %	Years for Loan	Loan Type	Loan Amount
1	Bulfer, Justin	15.002.0300	3	10	<u>MC</u>	\$ 5,811.15
2	Coleman, Roderick	10.012.0150	6	10	<u>MC</u>	\$ 5,472.47
3	Risk, Leroy	20.022.0650	6	8	<u>MC</u>	\$ 4,235.46
4	Lee, Ed	04.030.0200	4	10	<u>MC</u>	\$ 15,257.16
5	Rossow, Jade	04.028.0150	3	10	<u>MC</u>	\$ 6,610.25
6	Egeland, Kyle	10.005.0150	2	10	<u>MC</u>	\$ 9,725.00
7	Ebeling, Dale	04.010.0375	2	10	<u>MC</u>	\$ 10,725.00
8	Werner, Jacob	17.012.0700	2	10	<u>MC</u>	\$ 13,709.00
9	Spitzer, Tom	18.022.0450	2	10	<u>MC</u>	\$ 9,440.14
10	Mattson, Dustin	17.012.1150	2	7	<u>MC</u>	\$ 3,486.59
11	Wilson, Rick	11.022.0900	4	10	<u>MC</u>	\$ 12,350.00
12	Loveng, Margaret	04.017.0165	2	10	<u>MC</u>	\$ 8,725.00
<b>GRAND TOTAL AMOUNT OF LOAN DOLLARS</b>						<b>\$ 105,547.22</b>

Carried unanimously.

Higgins continued that annually the County Board sets the interest rate for the Martin County Septic Loan Program, stating that currently the interest rates are 2% and 4% dependent upon the applicant's household income. After discussion,

Motion by Commissioner Potter, seconded by Commissioner Pierce, Be It Resolved that the Martin County Board of Commissioners, having the authority to adjust the interest rates charged for the Martin County Septic Loan Program, after review and consideration, hereby approve the rate of 2% and 4% (no change from 2010) annual interest to be charged accordingly per the income level of the applicants as described by the Martin County ISTS Loan Program for CY2011, effective January 1, 2011. Carried unanimously.

Higgins stated the Association of Minnesota Counties (AMC) requests that each county provide voting delegates to the annual conference which will be held December 6-8, 2010 in St. Cloud; with by-laws allowing up to eight participants per county. Discussion ensued on who will be attending this year's conference.

Commissioner Pierce suggested that perhaps Sgt. Matt Klages and/or Lowell Spee with the City of Fairmont should attend at least one day's session regarding the Public Safety Answering Point, ARMER, and 800 MHz. After discussion,

Motion by Commissioner Boler, seconded by Commissioner Potter, Be It Resolved that the Martin County Board of Commissioners, hereby approve up to eight delegates to attend the Association of Minnesota Counties (AMC) Annual Conference to be held December 6-8, 2010 in St. Cloud, MN. Carried unanimously.

Deb Mosloski, Martin County Drainage Administration, reviewed a letter addressed to Commission Chair Dan Schmidtke from Donna and Bob Butterfield, owners of 160.6 acres of land in East Chain Township. The Butterfields, along with Donna's parents Lydia and Earl Larsen (previous owners), have experienced numerous issues with the tile and drainage for this farm as well as the surrounding land. Bob and Donna Butterfield have talked at length with Martin County Drainage Administration and Commissioner Boler regarding the tile system and have been given suggestions including contracting with a company out of Mankato to put a camera down to check and see if there is a plugged or broken tile causing the water to back up onto the land and building a five (5) acre holding pond to hold the water. What the Butterfields want is for someone to take action and try to ascertain whether or not the tile is actually plugged or broken and how the problem can be resolved.

Mosloski stated that the tile goes into Faribault County as well. I've talked to Martin Soil and Water Conservation District and was informed that tile has actually been broken all the way over to Faribault County and it has been that way for years and it has been getting worse. Mosloski continued I've written everything down including laws and procedure to fix privately, and to dump into another watershed. I believe it is thirty (30) acres that drowns out and has been doing so for fifty (50) years. This is not a new problem; but all of a sudden they want it fixed.

Commissioner Boler stated he has informed the Butterfields of programs through FSA and Soil and Water to aid in their drainage problem and basically they don't want to listen because that's not the solution they are looking for. After much discussion,

Consensus of the County Board, acting as the Ditch Authority, is to send a letter, signed by the Ditch Authority Chair, to Bob and Donna Butterfield outlining their options regarding drainage of land located in East Chain Township, Martin County, MN.

Mosloski next informed the Commissioners that the final hearing for the JD #47 Project cannot be scheduled until the project is complete.

Jonathon Herzog, Business Facilitator for Martin County's Economic Development Authority Commission, introduced himself stating that he works with Bryan Stading as a business facilitator in Martin County. Herzog reviewed the IGNITE Program that was started in 2007 and presented a folder of information about the IGNITE Program that will be available at various administration offices throughout Martin County to give to clients looking to start up a business or enhance their existing business.

Higgins stated that annually the Board has set the general wage adjustment for non-union employees and elected officials. Higgins noted the GWA for union contracts for the year

2011 has been set at 3.0% and has been included in the CY2011 proposed budget. Higgins went on to note that current year 2010 is at 0% GWA. After discussion,

Motion by Commissioner Pierce, seconded by Commissioner Potter,

R-#41/'10

RESOLUTION  
ESTABLISHING THE 2011 NON-BARGAINING COMPENSATION PLAN AND  
SALARY MATRIX

WHEREAS, it is the intent of the Board of Commissioners that Martin County non-bargaining unit employees be compensated fairly and equitably based upon their performance; and,

WHEREAS, the Board established an intent to maintain a competitive compensation schedule for County employees within the County's Classification and Compensation system; and

NOW THEREFORE BE IT RESOLVED, by the Board of Commissioners in and for the County of Martin, State of Minnesota, that effective January 1, 2011 the non-union employees shall receive a General Wage Adjustment increase of 3.0% subject to the County's Classification and Compensation plan; and,

BE IT FURTHER RESOLVED, that the 2011 Salary Matrix for the Martin County Classification and Compensation Plan shall be adjusted by 3.0% general increase effective January 1, 2011; and,

BE IT FINALLY RESOLVED, that any employee may elect to reject the general salary increase by providing written notice to the County Coordinator prior to the implementation of the adjustment.

BOARD OF COMMISSIONERS  
MARTIN COUNTY

\_\_\_\_\_  
Dan Schmidtke, Board Chair

ATTEST: \_\_\_\_\_  
Scott Higgins, County Coordinator

Roll Call AYES: Commissioners Potter, Boler, Schmidtke, and Pierce. NAYS: None.  
Resolution duly passed and adopted this 16<sup>th</sup> day of November, 2010.

The Board reviewed the proposed CY2011 Budget.

Commissioners reviewed the list of warrants to be paid for the month of November, 2010.

Discussion ensued regarding payment in the amount of \$1,429.11 for half of the purchase of a drug receptacle box for use with the Sheriff’s Office and Fairmont Police Department’s “Take it to the Box” permanent prescription disposal box. Commissioners noted that drug stores do that sort of thing for free so why would we spend \$2,800.00 for a box out of taxpayer money plus the cost to get rid of the drugs collected. After discussion,

Motion by Commissioner Pierce, seconded by Commissioner Potter, Be It Resolved that the Martin County Board of Commissioners, hereby approve payment of claims for the month of November, 2010, excluding payment to Kline Welding Incorporated in the amount of \$1,429.11; and includes the Martin County Highway Department as presented. Carried unanimously.

Warrants Received and paid November 16, 2010 are registered on file in the Auditor/Treasurer’s Office as follows:

Revenue Fund – Warrants Approved November 16, 2010	\$ 114,792.44
Enhanced 9-1-1 Fund	\$ 9.22
Recreation and Safety Fund	\$ 161.07
Martin County Economic Development Authority	\$ 1,499.17
Solid Waste Management Fund	\$ 36,723.49
Law Library Fund	\$ 902.49
Martin County Transit Fund	\$ 64,633.37
Recorder’s Technology	\$ 5,000.00
Ind. Sewage Treatment Sys. Loan Fd (ISTS)	\$ 46,242.47
Bank Building Fund	<u>\$ 3,994.78</u>
Total	\$ 273,958.50

Road and Bridge Funds Totaled	\$1,666,946.82
Martin County Ditch Fund – Warrants Totaled	\$ 2,377.64

Higgins stated that as a recipient of federal Section 5311 funds, our public transit system, Martin County Express, must provide public transit services without discrimination to all persons, including those who are not proficient in speaking English. The 1964 Civil Rights Law prohibits discrimination based on national origin. Higgins went on to state that staff has worked with Mn/DOT transit officials in developing Martin County’s Limited Assistance Plan and recommends approval.

## **Language Assistance Plan (LAP) for Martin County Express Public Transit System**

Adopted or approved by the Board of Commissioners of the County of Martin, MN for the Martin County Express public transit system, effective November 15, 2010

### **Purpose**

The purpose of this Language Assistance Implementation Plan (hereinafter "plan") is to meet Federal Transit Administration's (FTA's) requirements to comply with Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin. As a subrecipient of FTA funds, this transit system is pledged to take reasonable steps to provide meaningful access to its transit services for persons who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English. The FTA refers to these persons as Limited English Proficient (LEP) persons.

The U.S. DOT's FTA Office of Civil Rights' publication "*Implementing the Department of Transportation's Policy Guidance Concerning Recipients' Responsibilities to Limited English Proficient Persons – A Handbook for Public Transportation Providers*" was used in the preparation of this plan.

### **Contents**

This plan contains:

- A. A needs assessment based on the four-factor analysis
- B. Language assistance measures
- C. A staff training plan
- D. Methods for notifying LEP persons about available language assistance
- E. Methods for monitoring, evaluating and updating plan

### **A. LEP Needs Assessment – the Four-Factor Analysis**

**Factor 1. The number or proportion of LEP persons in our service area who may be served or are likely to encounter a transit program, activity, or service.**

We assessed the following information (as checked) about LEP persons to determine the number or proportion of LEP persons who might use or want to use our transit services:

- GIS map showing transit service area and concentrations of LEP persons (Attachment A)
- 2000 US Census data
- Survey results
- Reports from drivers, dispatchers, others about contact with LEP persons
- Local school district data

According to data provided by Mn/DOT from the 2000 US Census:

- The total number of LEP persons in our service area is 312.
- The total eligible population in our service area is 21,804.
- The proportion of LEP persons to the total eligible service population is 1%.

**Factor 2. The frequency with which LEP persons come in contact with our transit programs, activities, or services.**

The number of LEP riders is very few. The drivers and dispatchers have reported that we have three (3) Spanish speaking individuals that use the public transit system in Martin County. One individual rides to work four (4) times per week and two ride to the Fairmont area schools to attend class in Fairmont to learn English. One of our leading dispatchers does speak some Spanish and has been able to assist riders who are Spanish speaking for transit services.

In order to serve those individuals we have identified with LEP, we have added a Spanish version of the Martin County Express Rider's guide in order to enable and help our Spanish speaking riders be able to use our public transit system effectively and efficiently. We will continue to determine those populations with LEP and will continue to address the needs of LEP persons in the future.

**Factor 3 . The nature and importance of programs, activities, or services provided to the LEP population.**

Our transit system considers transit to be an important and essential service for many people living in our service area. The Martin County Express has a ridership of over 68,000 people annually. Our passengers range from all ages pre-kindergarten to over 65 years of age. Our customers use our system to go to the Hospital/Clinics, retail stores (i.e. groceries, discount stores), to go work, restaurants, school, kid's youth programs, etc. We provide a dial a ride system. For our LEP riders we find that they are mainly using our system as a way to get to work or classes.

The Martin County Express public transit system is a needed service to those who have immigrated to our county from other countries and have limited English speaking skills. It is a means to help those with LEP integrate and adapt to our local communities and region. We have taken steps to make our System more user friendly for Spanish speaking riders (i.e. Riders Brochure in Spanish).

**Factor 4. The resources available to our transit system and the overall cost to provide language assistance.**

The financial resources to our system are minimal. Our current budget for marketing to or communicating with LEP persons in their language about transit services that are available to them is within our current marketing budget of \$500 for CY2010, which does not provide adequately what is needed. This is due to lack of funding and other financial resources from local, state, and federal money. This would include funding for staff

training, translation services, brochures, flyers, posters, newspaper ads, radio ads, website, etc.

Other potential resources for LEP persons would be educational opportunities through our local community education program, which have a course in English as a Second language. We are happy to have a dispatcher who speaks some Spanish adequately to assist our Spanish speaking riders. Additionally, if needed we have a few county employees who speak or are fluent in Spanish and may be available to assist if there is a need. From time to time, those passengers with LEP have family members who can speak English fluently and help those who are not proficient in English gain access to our transit system.

## **B. Language Assistance Measures**

Language measures currently used and planned to be used by the Martin County Express transit system to address the needs of LEP persons include the following:

- Translating key documents in the following language(s): Spanish
- If needed, arranging for availability of oral translators depending on availability
- Posting notices in appropriate languages informing LEP persons of available services
- The Martin County Express has developed Riders Guide in Spanish. The Spanish Riders Guide is on line in printable form
- We will continue to seek ways to add notices to the website in Spanish as well.
- We are looking at the possibility in using Google Translate as staff is trained to be able access
- We are working toward various notices in Spanish as well.
- In the future we will be exploring the use of language cards

## **C. Staff Training**

To ensure effective implementation of this plan, the transit system will schedule training at orientations for new staff and for all relevant employees and staff reviews on an annual basis:

- The transit system's Language Assistance Implementation Plan
- Demographic data about local LEP population
- Printed LEP persons' materials
- How to handle verbal requests for transit service in a foreign language
- Responsibility to notify transit manager about any LEP persons' unmet needs.

## **D. Notice to LEP Persons about Available Language Assistance**

The Martin County Express transit system plans to notify LEP persons in their own language about the language assistance available to them without cost by using the following methods:

- Signs on buses or at bus stops
- Brochures
- Sending information to local organizations that work with LEP persons
- Local ads (newspaper , radio, TV)
- Website notices
- Information tables at local events, grocery stores, pharmacies, and churches

### **E. Monitoring, Evaluating and Updating Plan**

The Martin County Express transit system will review this plan during its annual review with its Mn/DOT transit project manager by:

- Assessing its effectiveness (e.g., comparing numbers of LEP persons served by year, number of requests for language assistance received during the year),
- Assessing the sufficiency of staff training and budget for language assistance,
- Reviewing current sources for assistance to ensure continuing availability, and
- Reviewing any complaints from LEP persons or about their needs that were received during the past year.

**This plan will be reviewed by our transit system annually. Revisions of this plan will be approved or adopted by the Martin County Board of Commissioners on behalf of the Martin County Express public transit system and dated accordingly.**

### **F. Dissemination of Plan**

This Language Assistance Plan is available on our website at [www.co.martin.mn.us](http://www.co.martin.mn.us), click on “Public Transit”.

This plan is also available at no cost in English upon request by telephone, fax, and mail or in person.

If requested to be provided in another language and it is feasible to have it translated, it shall be provided at no cost to the requester.

### **G. Contact Information**

Questions or comments about this plan may be submitted to:

Name: Scott Higgins

Title: Martin County Coordinator

Address: Martin County Coordinator’s Office, 201 Lake Avenue, Fairmont, MN 56031

Telephone: 507-238-3124

Fax number: 507-238-3136

E-mail address: [scott.higgins@co.martin.mn.us](mailto:scott.higgins@co.martin.mn.us)

Motion by Commissioner Boler, seconded by Commissioner Potter, Be It Resolved that the Martin County Board of Commissioners, hereby approve the Language Assistance Plan (LAP) for Martin County Express Public Transit System, to provide meaningful access to its transit services for persons that are Limited English Proficient (LEP) persons. Carried unanimously.

Commissioners discussed possible dates for setting a joint meeting date with Martin Soil and Water Conservation District. The meeting with Martin Soil and Water Conservation District will be held on January 4, 2011 beginning at 11:30 a.m. at The Pizza Ranch in Fairmont, MN.

The Board reviewed the 3<sup>rd</sup> Quarter Transit Report; South Central Service Cooperative Meeting Summary of November 3, 2010; Region Nine Board of Directors Meeting Summary of October 13, 2010; and schedule for Leadership Martin County Local Government Day to be held on December 1, 2010.

The Board gave their reports and reviewed their calendars of upcoming meetings and activities.

Commissioners Pierce stated concerns including the Sentinel Newspaper will print a retraction that Prairieland Compost Facility did not okay a methane study; and questioned the auditing of the County's 457 plan; cost of this year's election recount; Higgins informed the board of the recycle site in East Chain Township; Potter inquired of the status regarding the hire of the ditch inspector position; and refunds received from Minnesota Counties Intergovernmental Trust.

Sheriff Brad Gerhardt and Captain Jeff Markquart returned to the Board meeting to address questions the Board had about payment to Klein Welding Incorporated for the "Take it to the Box" prescription disposal box.

Commissioners asked why drugs can't be taken back to the drugstore for free.

Gerhardt stated, you can't. They won't take them back. They can't take them back. They won't even take leftovers from when inmates leave, even if they are in blister packs. Gerhardt went on to state this box is like Fort Knox, and it has to be. The box is bolted to the floor, and like a mailbox that you can't retrieve anything that's in there. Gerhardt noted that along with collecting hundreds of pounds of drugs, police have seen some street drugs and drug paraphernalia also put in the box. The bottom of the box is cushioned so glass bottles can also go in. Gerhardt went on to note that he was worried about the price too; but it came down to will people use it and they are.

Markquart stated that prescription abuse is a billion dollar a year industry now. Markquart went on to state that other participating counties are working together to organize pick up days a few times a year to take the drugs to the incinerator in St. Louis, one of only five incinerators in the country authorized to destroy drugs. Markquart figures Martin County will only have to do the trip once a year. Once the box is paid for,

there will only be the occasional cost of sending an officer down to St. Louis to accompany the drug truck. A local officer will not be used every year since there are participating law enforcement agencies from every county and the duty will rotate.

Motion by Commissioner Pierce, seconded by Commissioner Potter, Be It Resolved that the Martin County Board of Commissioners, hereby reconsider and approve and authorize payment to Klein Welding Incorporated for the purchase of a drug receptacle box used in the "Take It to the Box" prescription disposal campaign. Carried unanimously.

With no further business to wit, Board Chair declared the meeting adjourned at 11:03 a.m.

BOARD OF COMMISSIONERS  
MARTIN COUNTY, MN
