Historical Martin County

Was founded in 1857 and was named after Henry Martin, one of the areas earliest settlers. Of the 87 counties in Minnesota Martin County's population of 20,220 ranks 49th in the state. Fairmont is the County Seat. The Court House is built of Marquette Rain-Drop Sandstone from Michigan, and Buff-Bedford Limestone from Indiana. The foundation of the building is made of solid concrete about 5 feet deep. It was constructed from April 9th, 1906 - November 1st, 1907. It is 79 feet wide by 116 feet long and 50 feet to the top of roof. The dome extends 58 feet above the roof making it 108 feet from ground to ball on the dome. The total cost of the building was a little less than \$125,000 and is located on the site of Old Fort Fairmount, built in 1862 at the time of the Dakota (Sioux) Uprising.

The Vision for Martin County Government is to provide efficient service in a cooperative, friendly and progressive manner.
