

2017 County Feedlot Program Delegation Agreement and Work Plan Review

County Martin

A. County Need Requests Please state any specific resources that you are requesting the MPCA provide to help administer the County feedlot program in your County.

B. Agency Response to County Need Request

C. Documentation of Work Plan Revisions and/or Alternate Methods for Meeting MPRs Any work plan revisions including alternate methods for meeting MPRs that have been agreed to by both MPCA and the County must be documented in this space.

D. Work Plan Approval

The 2017 delegation agreement and work plan has been reviewed and satisfactorily addresses delegation agreement requirements.

Yes No

The comments as recorded in the above parts together with the signatures of represented parties constitute that review of the delegation agreement has been conducted and that agreement of County duties and goals by the MPCA and the County for the January 1 – December 31, 2017 period has been achieved.
