The revised rules adopted on October 23, 2000 and updated in January 2015, require a Delegated County (County) to prepare a Delegation Agreement that describes the County's plans, strategies and goals for administration and implementation of the Feedlot Program. This Delegation Agreement Work Plan satisfies the Minnesota Rule Chapter 7020 requirement that the Delegation Agreement must be reviewed and approved by the County and the Minnesota Pollution Control Agency (MPCA) annually.

Minnesota legislative appropriation language (Minnesota Statutes 116.0711) contains provisions for reducing grants to Counties if they do not meet minimum program requirements (MPRs) as set forth in this document. Counties that fail to meet the minimum 7% inspection rate MPR and/or 90% of non-inspection MPRs are subject to base grant reductions and/or loss of eligibility for a performance credit award.

For any feedlot in which a County employee or a member of the County employee's immediate family has an ownership interest, the County employee will not:

- (a) Be involved in making preliminary or final decisions to issue a permit, authorization, zoning approval, or any other governmental approval for the feedlot; and
- (b) Conduct or review inspections for the feedlot.

This MPCA County Feedlot Program Delegation Agreement Work Plan has been prepared by the County for the period of January 1, 2018 – December 31, 2019. The County agrees with the terms and conditions established in this Delegation Agreement Work Plan and will use feedlot grant funds in conjunction with the required local match dollars and in-kind contributions to carry out the goals, plans and minimum program requirements described herein. The County understands that this Delegation Agreement Work Plan will be reviewed by the MPCA after completion of the first year and, if necessary, be revised.
